

PRESS RELEASE

PSA-Misamis Occidental Conducts 2022 CBMS Data Turnover Ceremony to LGU Don Victoriano Chiongbian

Date of Release: 21 May 2024

Reference No.: PSAMISOCC-PR-2024-08

21 May 2024, Ozamiz City – In stride towards improving local governance and community development, the Philippine Statistics Authority (PSA) of Misamis Occidental successfully conducted the turnover ceremony for the 2022 Community-Based Monitoring System (CBMS) data to the Local Government Unit (LGU) of Don Victoriano Chiongbian on May 20, 2024, at Mess Hall, Don Victoriano Chiongbian, Misamis Occidental. This event marks an important step in the municipality's efforts to use accurate data for better decision-making and policy planning.

(Left to Right) MPDC / Data Protection Officer (Designate) Engr. Melquicedes J. Lagas, Municipal Mayor Bertoldo J. Murallon Jr., PSA-Misamis Occidental OIC-SSS Julieta M. Nacario and Municipal Statistician (Designate) Imarie G. Dayo

The CBMS, a vital tool for collecting detailed socio-economic data at the grassroots level, serves as an essential resource for LGUs to address local issues effectively and promote sustainable development. The turnover ceremony was a testament to the collaborative efforts between the PSA and the LGU, aiming to improve the quality of life for all residents through data-driven governance.

The CBMS data turnover ceremony is more than just sharing information—it's a promise to use knowledge to help society. As Don Victoriano Chiongbian moves forward, today's teamwork sets a strong foundation for growth that includes everyone and is sustainable.
